

Student Essays

We would like to know more about who you are. What are your interests in and outside of school? Below you will find four questions that will help us understand who you are as a person and student. Answer each question to the best of your ability.

For each question, please write a minimum of 250 words, in a Google Doc or Microsoft Word Document. When you are finished, please scan and email to Jennifer Vukelich at academic-director@allegianceacademy.com
